

Whereas homeschooling has expanded in size and scope in Texas and is the fastest growing form of education in America and;

Whereas many athletically gifted homeschool students do not have or cannot afford any extra curricular activities in their area and;

Whereas many gifted students do not have access to the same future opportunities for their skill set because of their lack of access to UIL activities and;

Whereas homeschool families continue to pay property taxes on public school facilities and activities without having access to any extracurricular options and;

Whereas similar legislation has been successfully implemented in 34 other states and has significantly benefited the homeschool community;

Be it resolved that we believe that the homeschool students should be given access to public school extracurricular activities in the school district that they live in.

Adopted this ____ day of _____, 20__, at the Precinct Convention of Precinct # ____ of the _____ Party of Texas.
